PROFESSIONAL PROFILE

Computer Engineer and Frontend Developer with 2+ years of experience building web interfaces with React.js, Next.js, and TypeScript. I have worked on applications for healthcare, retail, and digital services, and I also integrate APIs with FastAPI. I focus on clean code, performance, and well-crafted user experiences.

EXPERIENCE

Frontend Developer
Feb 2026 — Oct 2026

735 Development · Táchira, Venezuela

- Web and mobile application development, with a primary focus on frontend.
- Frontend with React.js, integration with a FastAPI (Python) backend, and contribution to the mobile app with Flutter.
- Delivery of complete frontend features with backend integration.

Full Stack Web Developer
Feb 2025 — May 2026

IADUK · United Kingdom

- Frontend development of web applications with Next.js.
- Integration of Azure Blob Storage for file storage and management.
- Implementation of SEO across the sites developed.
